Rockcliffe Hustlers first baseman Barry Shaw reaches for a short bunt as a Lindsay player dashes past him. The runner was tagged out at first. The game, Wednesday evening, clinched first place for the Hustlers in the Tri-County league as they defeated the visitors 6-2. For more details on the Wednesday game, and the play-offs, see page nine.

Agreement on home still lacking

Details of an agreement between the operator of a domiciliary home for senior citizens and the councils of Anson, Hindon and Minden, Snowdon and Dysart townships have yet to be worked out regarding the funding of residents in the home.

Willis McNeilly, the owner of the home in Lochlin, appeared before Anson, Hindon and Minden township council Thursday with his lawyer Ray Selbie, in a effort to iron out some of the problems related with the agreement.

One of the main points of contention appeared to centre around whether the Snowdon council would sign the agreement with the home. The terms of the

agreement provide for the operation of the facility according to the by-laws of Snowdon Township, where it is located. However, if Anson, Hindon and Minden township, for example, signs the agreement without Snowdon doing so there is some question as to who would be responsible for enforcing zoning and building regulations.

Minden by-law enforcement officer Dick Schell said he would be reluctant to attempt to enforce another municipality's by-law, especially because he is not authorized to do so.

By signing the agreement the municipalities agree to provide support for residents from their own townships who are on

special assistance and who are living at the home. This would also mean that provincial assistance would be available to these residents. At the moment there are five residents at the home from Anson, Hindon and Minden, five from Dysart and one from Snowdon township. The amount of municipal assistance would be \$2.40 per day while the provincial financial aid would amount to \$10 per day.

Solicitor for Anson, Hindon and Minden, Fraser Rogers told the meeting that while the home is located in Snowdon Township and falls under the by-laws of the municipality, if Anson, Hindon and Minden were to provide funding for residents there, it would want to exercise a certain degree of control over conditions at the home. McNeilly responded by suggesting that the townships were dealing directly with him as the operator of the facility and where the home is located was incidental to their agreement.

McNeilly's lawyer, Ray Selbie said because all three townships are waiting for the others to initial the agreement first, the issue has become stalled. Reeve Lyle McKnight commented that if the home was located in this township, he would be willing to sign the agreement first. He said, however, that he didn't feel the munic-

ipality would refuse to provide financial support

(more on page 3)

Care requested in water use

The long stretch of hot and sunny weather is starting to take its toll, according to Minden PUC chief operator Gene Newell.

He reported Monday that the pumps which draw water from the artesian well serving the Village of Minden has been working overtime to meet the needs of area residents.

While he notes there is no concern at the moment that the water supply is being adversely affected, Newell points out that excessive water use can put a strain on the system.

The operator pointed out that communities south of Minden have already imposed water rationing for lawn and garden purposes. Some communities like Fenelon Falls and Bobcaygeon have limited outdoor water useage to two times a week for two hours per occasion. Other communities face more severe restrictions.

Newell notes that during the hot dry weather there is little benefit in watering a lawn or garden during the heat of the day. Most of the water which spews out of a sprinkler when the sun is high in the sky is lost to evaporation before it can do any good for the plants. "An hour of watering after supper, is as good as ten hours of watering in the sun," he points out.

"All we would like to see is for village residents to use a little caution in water useage," Newell suggested. "Use your discretion, there is no use putting on the sprinkler if the plants aren't going to benefit anyway."

Newell also points out that excessive use of water could leave the reservoir low and create a problem if there is a need for a heavy draw, such as to fight a fire.

The operator notes that during the recent dry spell, the Minden pumping station set a new record for moving water within a 24 hour period. During that time the pumps drew 160,000 gallons, well below their capacity for 250,000 gallons.

Computer will help visitors

The county's newest information centre, due to open August 1, will also have a innovative and modern informational retrieval system.

Anson, Hindon and Minden Councillor Gary Kenney explained how the new system will work at the July 14 meeting of the Minden council.

The information centre, jointly sponsored by Anson, Hindon and Minden and Lutterworth townships, will be equipped with a small computer. The unit will contain a variety of information about various aspects of the area.

By following a special program, the information booth attendant, or a member of the public, should be able to obtain information they require on just about any subject.

As Kenney explained to the council, "If, for example, someone was interested in trout fishing, through a series of commands to the computer we could get a

listing of lakes and rivers that are known to contain trout." Similarly, other information about points of interest, churches, access points, beaches and other items will be on file in the computer.

Kenney explained that by locating a terminal with a screen in the public area of the information booth, individuals who are familiar with computers will be able to obtain their own information.

A special printer attachment will be available so that the information which appears on the television screen can be reproduced on paper for the visitors to take with him. The usual compliment of brochures will be available at the information booth.

The information centre will also offer area businesses an opportunity to be listed on the computer. According to Kenney, a nominal annual charge will allow businesses to list important information about their operation. These businesses will be filed under various sections for quick retrieval.

As well, changes to the information can be made easily and quickly, simply by contacting the information centre. Kenney noted, "For example, if a resort was on the computer, they could list their vacancies. A visitor to the information centre would then be aware immediately of what is available. The resort operator could easily update the information on file as vacancies are filled or become available."

While this computer information system will be unique to the Minden Lutterworth information booth, Kenney says he would like to see the service expanded to other information centres. "We could trade information back and forth, giving the visitor to one centre, access to information from across the county," he suggested.

For the moment, however, the Minden Lutterworth booth will be the only such operation in the county. It is likely that during its first month of operation, much of the time will be spent training the computer operator and getting the information into the machine.

Accidents claim 2

A visitor from the United States died Sunday while swimming in Kennis Lake. The mishap occurred at 5 p.m.

The police report that 73 year old Mrs. Mirriam Kane of Dover, Ohio went swimming by herself. A short time later, her body was noticed floating face down in the lake. Attempts to revive the woman failed. She was pronounced dead at the scene of the mishap.

Constable Dave MacMartin was the investigating officer.

Farm death

A farm accident July 18

has taken the life of a Lindsay man.

46 year old Royce Cowen was fatally injured while working at the Holly Little farm in the Blairhampton area. The mishap took place around noon.

According to the police the man was oiling a hay bailer which was still running, when he was struck on his head by one of the machine's moving parts.

Coroner Dr. Blair Pierce attended at the scene and pronounced the man dead. The mishap was investigated by Constable Dennis Potter.

THANK YOU

CURRY MOTORS

Serving Haliburton County for 60 years.

The Minden Katimavik crew arrived last week and have set up residence on the Deep Bay Road. As part of their familiarization of the area, the group was taken on a bus tour with a number of residents from Highland Crest. Who better to explain the history of the area? The group is seen here at the Minden White Water Preserve where several Hyland Crest residents helped drive logs through to the mills in the south. Katimavik participants who will be making Minden their home during the next three months include: Terry Lacroix from Windsor Ontario; Lise Hachey of Beresford N.B.; Marni Churchill of Lytton B.C.; Natalie Beland of Montreal; Eric Champagne of Parent Quebec; Petra Brouwers of Summerland B.C.; Diane Roy of Hull Quebec; Leon Stanley of Cornwall; Carol Jekanovick of Vancouver; Ed Hink of St. Catharines; Andre Bouchard of Chateaugay Quebec; and Andrew Glen of London, Ontario.

Home agreement

(from page one)

for township residents in the home if the Snowdon council did not sign the agreement.

Rogers said he was still concerned about the reasons why the Snowdon council was unwilling to sign the agreement first.

Other factors in the agreement, including the number of days the municipality would continue to provide support for a person who is admitted to hospital have yet to be resolved.

The council appeared to be, in favour of the domiciliary idea of care for seniors and if other factors in the agreement could be worked out, the township would sign no matter what other municipalities in the area do.

Waiting for clarification

Anson, Hindon and Minden municipal council is caught on the proverbial horns of a dilemma in regard to its two zoning by-laws. Unfortunately it may be some time before the problem is resolved.

Last year, after some degree of study, the council agreed to introduce a revised zoning by-law. With the financial assistance of the province and guidance from a consultant, the new zoning by-law, 82-11, was given three readings and the old by-law, 14-67 was repealed. While the council had given the new regulation its required three readings, a by-law with such sweeping and long-range implications could not formally become law until it was approved by the Ontario Municipal Board.

A copy of the by-law was circulated to all ratepayers, to allow objections to be registered prior to the hearing.

A zoning by-law is one of the most important tools a municipality has in directing orderly growth and development within its jurisdiction. Not only does it lay out the 'nuts and bolts' for new development (such as setbacks, minimum lot sizes, and building standards etc.) it also specifies where certain growth can take place (lakeshore subdivision, commercial and residential expansion).

However, after circulating the revised by-law, it was found to contain a number of errors, plus certain provisions regarding recreational zoning came under stiff attack. The council attempted to correct errors and meet these objections, however in the meantime, an election intervened. The new council set out as one of its main priority, the creation of an official plan (OP) for the municipality. The contents of the OP for the municipality. The contents of the OP would have a direct bearing on the zoning by-law (and vice-versa) and so the matter was left in limbo.

The problem was that since the former zoning by-law 14-67, was rescinded, and the by-law which was to replace it, 82-11, had not received formal approval from the OMB, the township was in theory operating without a zoning by-law whatsoever. The by-law enforcement officer had to rely on a degree of bravado and bluff in attempting to enforce the regulations of by-law 82-11. Not a very tenable situation.

Last week council decided to put 82-11 aside for the moment and reactivate 14-67 until the OP is complete.

While the move helps clarify the situation, there are many provisions of the new by-law which the council finds favourable. Unfortunately they are not part of the old by-law. For example, last week the council heard a request for the establishment of a tent and trailer park in Minden Township. Under 82-11 the area is properly zoned for such an operation, however under 14-67 it would not be allowed. That is an example of what the council will be up against for the next year or more.

For, while the old zoning by-law will now be the law of the land, it does not, in many ways represent the intentions of this council. It has been suggested that individual amendments to the old by-law can be made as the need arises, but this will be cumbersome and confusing particularly to those unfamiliar with the background of the situation. So it is likely that over the next few years, until an official plan is in place and a new zoning by-law can be enacted and approved, planning and zoning in the municipality will remain in a state of flux.

The boys of summer

Programs prove too popular

-by Bill Scott, M.P.-

On April 19th, the government brought in a new budget. I did not think at the time that many of the proposals introduced would ever be implemented.

In the area of housing, the government added \$30 million to the Canadian Home Ownership Stimulation Plan. Initially, it was thought that this program was to extend until May 31st, 1983. However, as the government completely underestimated the demand for these \$3,000 home purchase grants, the money ran out on May 5th.

That budget also allocated an additional \$120 million to the Canada Home Renovation plan (CHRP). This program, which began in May, 1982, provided grants of up to \$3,000 to cover 30 per cent of renovation costs for low income and middle income families. Last week, the federal Minister responsible for housing announced that

the plan would end on July 12th, 1983, over eight months before the March 24th date announced on April 19th.

Again, the government failed to properly assess the market for these grants. As a result, only those who could afford to apply immediately will benefit.

Farm Credit was provided with a program to extend loans to farmers in distress at a reduced rate of interest. Last week, I was informed by FCC that they are out of money for this program and have stopped approving any loans on June 10th. They, at that time, requested permission of the Finance Minister to raise \$600 million in the private marketplace in order to meet their loan demand. The Finance Minister gave approval for only \$250 million. So far, the FCC has loaned \$471 million with another \$326 million left hanging in various stages of

paperwork, for a total of \$797 million.

The FCC lending budget

is approximately \$525

(more on page 8)

Editor:

Thank you for covering the annual general meeting of the Canning Lake Property Owners Association and reporting on it in your usual thorough manner.

I may indeed, have said, as you reported, that the new Ingoldsby bridge will be four feet lower than the existing bridge. If I did, I apologize for I did not mean to say that.

What I was trying to say was that clearance at Parks Canada high water will be four feet, ten inches.

I stand by my original statement of a year ago. This bridge is a bad design for the location and takes into consideration few or none of the needs of local scenic attractiveness and waterway and boating uses.

Enough took place this spring for us to know "high water" on our lakes can take place in any month of spring or summer depending on the wishes of the Trent Canal system.

The proposed Ingoldsby bridge is simply the wrong bridge for the site. The proposed bridge will be twenty-one inches lower than the existing bridge.

New construction often brings a lot of other new shocks with it. The latest one is that a 7,200 volt hydro cable will be laid under the bed of the narrows because of the new bridge. This will mean no dredging of the soon-to-be obstructed channel.

Joseph Curtin,
Ingoldsby

SECOND CLASS MAIL REGISTRATION NO. 0936

Shaun Chapman bounces the ball off his knee during a soccer game Sunday at the high school field. The Dixie Lee team netted their second win of the season, defeating Orillia Bell 4-3.

Second win for Dixie Lee team

The Haliburton County Dixie Lee Soccer team has scored its second win of the season. The victory came on home turf Sunday afternoon as the squad met the Orillia Bell.

The local team defeated the visitors 4-3, in a come from behind win.

Orillia was able to field a team of only 10 players compared to the regulation 11. The fact the visitors were unable to make substitutions and the heat of the afternoon, may have had an impact on their ability to withstand the Haliburton attack.

Orillia opened the scoring with a goal off a penalty shot and lengthened their lead in the first half to two goals before Ivor Thompson netted the first marker for Haliburton.

Orillia scored again. However, Thompson notched another for Haliburton to begin a

charge which saw Tim Davies score the tying goal and Terry Crowe notch the winner. Orillia had a number of good chances in the closing minutes of the game, particularly on one shot which struck the goal post and dribbled along the goal line. However, quick action by the Haliburton goalie prevented it from being kicked in for a point.

The Haliburton Dixie Lee team now has a record of two wins, a tie and six losses for the season.

The team practices Thursday evening in Haliburton. A number of exhibition games with the soccer team from the General Electric plant in Peterborough may be in the offing, including the possibility of a game in Minden. Details have yet to be worked out and dates will be announced in The Times prior to the games taking place.

Mountain Lake owners meet

- submitted -

A group of 58 Mountain Lake Cottagers gathered at the Minden Library and Cultural centre Saturday, July 9 for the associations' sixth annual meeting.

President, Jean Anthon welcomed the group and introduced Anson, Hindon and Minden Deputy Reeve Ed Pergolas who fielded questions from the floor. Mr. Pergolas was sympathetic to the problems caused by high water levels this spring and outlined steps council is taking to ensure water levels remain within reasonable bounds in the future. Mr. Pergolas was also questioned about chemical weed spraying done by the Hydro and the future of the landfill site on Scotch Line Road the cottagers were most interested in plans for two township owned lots on Mountain Lake. Mr. Pergolas emphasized that

the lots are designated for parkland use and are not to be sold as access points to developers.

President of the Federation of Ontario Cottage Owner's Associations, Jerry Strickland addressed the meeting as guest speaker. Mr. Strickland discussed areas of mutual concern to all Ontario cottagers; acid rain, water levels, lake planning, 66' shoreline allowances, hydro rates, capital gains tax on sale of vacation properties and municipal elections advance poll dates. He stressed a great need for cottage associations to work together with local councils on these and other problems to arrive at solutions mutually beneficial to both.

The meeting continued with a report from the association's environment committee:

Mountain Lake is maintaining a high quality level assessed by regular testing of the water.

Continued support of Environment Canada's position to urge the province and U.S.A. to reduce production of acid causing emissions.

Preparation of a report to be tabled at the 1984 annual meeting of the feasibility of a cottage to cottage pollution control study.

The regular committee reported on plans for the first regatta and beef B.B.Q. to be held Sunday, July 31. It is hoped that this "just for fun" event will be well supported by the membership so that it may become an annual event.

The Mountain Lake summer social season will also see a gigantic yard sale

to be held Saturday, July 23 on Jordon Drive.

The meeting closed but not before the early bird membership lucky draw. Congratulations to the winners, Howard MacDonald, Ian Spencer and Phil Lawson.

If money is available--causeway work planned

The township road committee has agreed with several requests made by members of the Horseshoe Lake Property Owners Association regarding the condition of the causeway to Schuyler's Island. The requests had been made at the group's annual meeting two weeks ago and were considered at the municipal council meeting July 14.

According to the chairman of the roads committee, Councillor Gary Kenney, the municipality will carry out the work the

former council agreed to do last year. Included in that will be the cleaning out of two culverts which are currently under the causeway and the re-installation of the three culverts inserted last year. The property owners had noted that these were installed too high to be of much value during normal water levels.

Kenney said the work will only be carried out, if the funds are available to do it. He noted that changes

would cost about \$1500.

He said the work would be carried out by the roads committee and representatives of the association will be advised when the work is to be done so they could observe the operations.

The councillor reiterated a comment made at the property association's annual meeting, that no more work, beyond the culvert changes, would be carried out on the causeway, other than routine maintenance.

from the chamber

The decisions have all been made on the locations, dates and themes for the upcoming Harvest Festival.

September 10th Gooderham will be turning the clock back to the late 1800's with their Klondike Jubilee. On September 17th the tropics come to our county when Caribbean Islands Night will be in Minden. September 24 we'll celebrate Canada's bicultural heritage when Stanhope says "Bienvenu a Stanhope". Finally on October 1 it will be over some day in Haliburton Village featuring "The Good Companions" a group that was well received when they performed at Deer Lodge recently.

To help promote this fall festival the Chamber has organized four weekend packages, one for each weekend of the festival to be given away through a contest on CBC radio in Toronto. Listeners there will be invited to write in telling why they would like to come to our Harvest Festival. The four winners will win accommodations, most meals and a Harvest Festival passport. This should prove to be a most popular promotion.

A special word of thanks must go out this week to Don Smedmore of the EJ Motel who kindly cut the grass around the Chamber office last week (except under Bob Stinson's truck).

Remember to call us if you or your organization are planning any special events (circuses, bazaars, carnivals, white water canoeing or whatever). One little phone call to us allows us to put our machinery in motion and promote your event through press releases, this column, responses to visitor inquiries etc. If we don't know about it we can't tell others about it.

To see and do

The Leslie Frost Natural Resources Centre just south of Dorset is always a fascinating place to visit, what with its interesting exhibits and walks along the trails. This week there are two programs that should be especially interesting. On

Thursday, July 21st the centre is offering a program on Acid Rain. Samples of water will be tested for acidity and the whole program will be looking at the effects of acid precipitation on local lakes and forests. July 27th you can spend the afternoon in the woods with an interpreter who will explain how the forest around you has developed from an open field. Both programs begin at 1:30 p.m. and last approximately two hours. They are thus over in time for the interpretive nature hike at 3:30. So you have a couple of good opportunities to spend an educational afternoon in the woods.

Today (July 20), the Carnival gets underway in Haliburton Village sponsored by Branch 129 of the Royal Canadian Legion. There'll be a parade, midway, games of chance and lots of tasty food.

Stanhope's Fun Day is the 23 at the Community Park on the North Shore Road.

Bingos, children's theatre, ball games arts and crafts and a giant beef barbeque provide lots of reasons to make Saturday your day to head up to Stanhope.

The Muskoka Summer Theatre will be presenting "The Fantasticks" at the Haliburton Legion Hall. Tickets for this musical about young love, parents, the world and human nature are only \$10.00 and are available at the Rails' End Gallery and at the door.

July 27 is a bazaar day with two on the calendar. Club 35 at Hall's Lake is holding a bazaar and tea, while the Minden U.C.W. are having a bazaar and bake sale at the Minden United Church.

The 27 is also opening day for the Minden Rotary Carnival. We'll have more details about it in next week's column.

Frank Schmidt's show of paintings continues until the 27th at the Agnes Jamieson Gallery in Minden. Admission is free and the gallery is open from 10 to 5, Monday to Saturday.

The exhibit at the Rails' End Gallery in Haliburton continues to the 31st featuring arts and crafts of all types by the faculty of the Haliburton Highlands School of Fine Arts.

Province plans for bicentennial

Eight bicentennial coordinators have been appointed to areas in Ontario by the Ministry of Citizenship and Culture, to encourage communities to celebrate the province's 200th birthday in 1984.

Brenda Couch has been named coordinator in the central area, which includes the counties of Durham, Haliburton, Hastings, Northumberland, Peterborough, Prince Edward, Victoria and York.

The coordinators will assist in developing local bicentennial committees as well as act as a liaison between the communities and the Ontario government. They will be able to provide information regarding grants and other bicentennial programs

throughout the province. In addition, these area representatives will be encouraging organizations and communities to coordinate their activities to prevent overlapping of events.

"The bicentennial theme, Celebrating Together, depicts exactly what we are trying to do," says the Honourable Susan Fish, Minister of Citizenship and Culture. "Every community will have the opportunity to celebrate its heritage. We want everyone to join in saluting the lives and achievements of those who have made each community great, and therefore, this province great."

Ms. Couch can be contacted in Peterborough at (705) 876-1984.

"Because its there." The reasoning offered by mountain climbers, could easily apply to some members of this group of cyclists. They arrived in Minden Saturday evening at 9:30 after pedalling all day from Toronto, a distance of 120 miles. Reeve Lyle McKnight, centre, was on hand to greet the weary but jubilant riders. He presented rider organizer Rick Harding with a trophy marking their successful journey. Those who completed the entire trip described it as a grueling ordeal as they fought head-winds and oppressive heat most of the day.

Some of the riders in this photo joined the cyclists for the final leg of the journey at Coboconk. However five, Rick Harding, Rick Kinsman, Ernie Dupuis, Dave Yeoman and Kim Colliss travelled the entire distance. Waiting to greet the riders were young sign carriers Jessica, Tanya and Cameron Berry along with Simon Prentice. The riders shown here with Reeve McKnight and Rick Harding include, from the left, Rick Kinsman, Ernie Dupuis, Steve Berry, Greg Jones, Jim Fidlin (hidden) Dave Yeoman, Kim Colliss and Paul Prentice.

County Town Museum report

submitted

A lot of help from a few interested people made the Minden County Town Museum Committee's July first Hodge Podge Sale a big success.

While just a few people put the sale together and manned (womaned?) the tables, many more took advantage of the low prices, and shopped for home baked goods, plants and hodge podge to the tune of \$503.05. A worthwhile amount, don't you think?

Special thanks must go to John Hulbig and his son, David. These two men carried and hauled heavy stoves and antique tools for the nostalgia display when the temperature was in the 30's (the 90's for nostalgia buffs).

Thanks, also, to Cy and Gala Heal, and Gala's sister, Evelyn. Jean Button, a visitor from Toronto, also helped, as did Dick Kirkwood and Stan Blears.

The committee will hold another sale later in the summer. Please save all your hodgepodes for it.

Just to keep you posted—the partition to separate the display area in the museum from the storage area is up. Thank you Pat Clark and Dick Kirkwood.

Ticket sales on the painting, The Heron, are going well. Sylvia Howard set up her table at the sale, and you'll see her often on the main street and elsewhere urging people to "take a chance."

Aileen Blears

Bill Sco⁺⁺

(from page 4)

million, so that an additional \$250 million is not going to fully solve its lending crisis.

The Hon. John Wise, our Progressive Conservative Agriculture Critic, outlined our position on this matter when he stated in a July 8th press release. "My colleagues and I would urge the Minister to reconsider the FCC's request for permission to borrow up to \$600 million in the private marketplace. We would also urge him to provide \$100 million from the Consolidated Revenue Fund. This would hasten the delivery of money to the FCC since there is about a month's delay when borrowing in the private marketplace. As well, it would help to lower the overall interest rate since borrowings in the private marketplace could result in a FCC interest rate higher than its present 12 3/4 per cent."

Haliburton Juniors win two big games

The Haliburton Juniors took 2 important games from West Guilford last week to bring their points up to 18, that leaves them only 4 points behind league leading Minden Dixie Lee. The Juniors have turned into strong contenders for first place with only a few games left until play-offs.

In the first game played Monday night Miriam Smith continued to play heads up to ball. She hit a home run in the fifth and

stole home in the sixth. Jody McKnight played a strong defensive game coming up with several exciting catches. Shirley Letorneau played a good game for Guilford. Marg Smith was the winning pitcher while Joan McKay took the loss.

In a four point game the following night in Guilford the Juniors again came up big and defeated West Guilford 10 - 4. Pam Iles, Tracy Harrison and Marla

MacNaull had hot bats for Haliburton while Bev Sisson and Gail Teasdale had a good night for Guilford.

Wilberforce added two more points to their total as they defeated Carnarvon 11 - 3. They were led by Gail Krupa and Kris Storey. Jan Skelding and Carol Garv

played well for Carnarvon. Sue Musclow got the win while Lil Gorgevautt was tagged for the loss.

The Minden Juniors continue to be a thorn in Wilberforce's side as they beat Wilberforce 12 - 9 in Wilberforce. The I.G.A. girls took to the bats early in the game scoring five runs in the second but Minden

roared back in the fifth and sixth. Terry Dillon played well for Minden, scoring three of their twelve runs along with teammate Wendy Ballantyne and

Susan Kennedy. Andrea Burk got the win while Sue Musclow took the loss.

Minden Dixie Lee took over the lead last week with

two wins. The first from the Minden Juniors with a final score 11 - 5. Trish Slavik and Lori Brown Wood led the Minden attack while the Ballantyne sisters had a good night for the Juniors. Nelda Cully took the win while Andrea Burk was the

loser.

The two old rivals played Tuesday night in Minden with Dixie Lee hosting the Haliburton Seniors. Barbara Barnhart, Jane Symons and Marg Fielding had excellent nights at the plate for Dixie Lee while Kim Roberts and Sheila Elston played well for Haliburton. Final score Minden Dixie Lee 20, Haliburton Seniors 6. Nelda Cully pitched another great game for Minden picking up the win, while Nancy Maughan took the loss.

Hustlers league champs

The Rockcliffe Hustlers won the 1983 league championship last Wednesday night with a convincing 6-2 win over the Lindsay Jrs. Jack Snell was the winning pitcher raising his record to 7 wins and 2 losses.

Dave Hartwick slammed a two run homer and Barry Shaw went 3 for 3 at the bat. As a result of the Hustlers

winning first place they will now face Ponty Pool in the first round of the playoffs. This will be a best three out of five series with the first

game being this Wednesday, (July 20) at the Minden Ball Park at 8:30 p.m.

The other series has the Lindsay Jrs. meeting Lindsay York Tavern.

Tournament squeaker

The Hustlers travelled to Lindsay this past weekend to attend the Annual Lindsay Tri-County Tournament. The locals, who were short staffed and picked up some players from Fenelon Falls, lost in the championship finals.

In the first game on Saturday the Hustlers met a team from Peterborough and squeezed out a slim 5-4

win. Jack Snell took the win with Barry Shaw slamming a home run.

In the second game the locals defeated Ponty Pool by the score of 8-4. Barry Shaw was the winning pitcher.

The third game the Hustlers squeezed by Haliburton by the score of 6-5. Snell was the winning pitcher with Shaw and Paul Phillips hitting home runs.

In the championship game against Sutton the locals ran out of steam and were defeated by the score of 9-3.

The plan of survey referred to herein is available for perusal at the Municipal Offices during normal office hours.

SELECTIVE VEGETATION CONTROL

Ontario Hydro invites contractors to submit tenders for the selective foliar application of herbicide over approximately 330 Ha of brush in the Orillia Area and approximately 640 Ha of brush in the Minden Area.

As a prerequisite to submitting a tender, a company representative must tour the site accompanied by an Ontario Hydro representative. A tour of the sites is scheduled to be held commencing at the Orillia Area Office 333 Forest Ave. on Friday, August 26, 1983 at 10 a.m. Further details regarding arrangements to attend are contained in the tendering documents. Tenders received from companies which have not had a representative attend a site tour, verified by Ontario Hydro, will not be considered.

Work is for a period of approximately 2 months commencing mid June 1984 and 1985.

Tenders will be received up to 2 p.m. local time, Wednesday, September 7, 1983.

Tendering documents may be obtained

FROM:
700 University Avenue
6th Floor Reception Desk
(for inspection only)

WRITE:
Ontario Hydro

STEEDMANS

Minden and Haliburton

Looking back

Our interesting insight into life in Haliburton County over one hundred years ago continues this week with another excerpt from the pamphlet written by Charles MacDermott. His writing, entitled 'Facts for Emigrants' outlines details of the conditions Europeans could expect when moving to the new country of Canada and in particular, Haliburton County. This week's excerpt deals with the cost of clearing one's homestead, what to expect in yield from the crops being planted, and when the emigrants should arrive in the wilds of upper Canada.

It may be taken that the price of clearing land is 16 dols. per acre. This clears and fences the land and leaves it in fit condition for crops. A raw hand ought to clear the first winter at least five acres, and some men have cleared as much as ten. A practised axeman would chop ten or twelve acres during the winter, without working very hard.

Average crops

Potatoes, two hundred bushels per acre.

Spring wheat, sixteen bushels per acre.

Fall wheat, twenty-four bushels per acre.

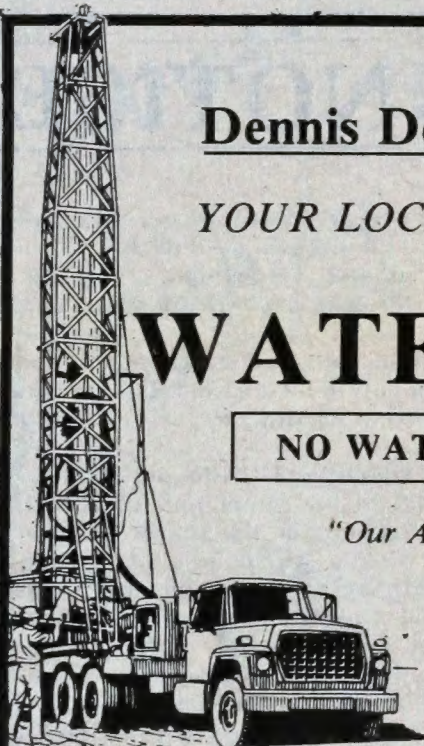

Oats, thirty bushels per acre.

Hay, (timothy) from a ton to a ton-and-a-half per acre.

Best time to arrive here

Emigrants should arrive here in July. They have then leisure to look for land, to build a shanty, to underbrush a piece of land, and to

meet the winter fully prepared. It is not desirable to come earlier, as it is best to come here after the fly time is over. The flies are in full power from the last week in May, until the second week in July. The woods are then almost unbearable to a new comer; black flies and mosquitoes making life in the woods a misery. This annoyance becomes less every year. In the old settlements black flies are unknown, and mosquitoes scarce; but in the woods they are very numerous and fierce in their attacks.

32 compete in airline tourney

The 1983 edition of the MR Airlines golf tournament was held Wednesday and Thursday at the Beaverbrook course with 32 golfers taking part. This popular event attracted participants from as far away as Toronto and United States as well as a strong contingent of local golfers.

The tournament, which was started as a fun event by M.R. Enfield, has continued to be a semi-serious tournament which attracts more golfers each year.

There was a tie for first place in the tournament this

year in the low net. Both Phil Dixon and Percy Petree shot a 71. However, since Phil managed a four on the first hole compared to Percy's five, he took first place. In third place was Burt McDonald with a score of 71 1 2.

Burt also took the low gross of the day with a 74. Low gross for the women went to Lynda Pawluck with a 98. Randy Osborne captured the closest to the pin contest with a shot which landed within 8' 3" of the flag. Wendy Paterson was the day's most honest golfer.

Trophy and prize winners of the MR Airlines Golf Tournament include, left front Phil Dixon, low net, Percy Petree, right front, second low net, back row from the left, Lynda Pawluck low gross ladies; Burt MacDonald low gross men; and Wendy Paterson, the most honest golfer of the day.

Local teams miss trophies

Haliburton area hockey teams battled right to the end of the North Woods Challenge Cup Pee Wee Tournament but both came away empty handed during the weekend. The Northern Selects, with players from the Minden area, faced Ottawa Valley in the championship round but were defeated 5-2.

In the consolation championship, the Upper Canada Beavers defeated Haliburton 7-3.

The Northern Selects and Haliburton met in the opening game of the tournament, played at the Haliburton arena. The Selects downed Haliburton by a 5-2 margin. Scoring for the Selects were David Sharp with a pair and singles from Todd Taylor, Scott Russell and Derek Julian. Ron Perrin and Jeff Ingram scored for Haliburton. The MVPs of the game were Gavin McKnight for the Selects and Jeff Ingram for Haliburton.

In the second contest Ottawa and the Upper Canada Beavers played to a 2-2 tie.

The Northern Selects met Metro East in the third game and defeated the visitors 5-4. Mike Lennox scored three goals for the Selects while Dean Seabrook and Scott Reynolds added the others. Assists came from Lenny Greer, Rob Hatfield, David Tracey and David Sharp.

Mike Lennox was named the Selects MVP.

Haliburton tied the Upper Canada Beavers 5-5 in the fourth match of the tournament. Mike Rupnow scored three goals for Haliburton with singles coming from Erin Nichols and Jeff Ingram. Rupnow was named the MVP for Haliburton.

In the fifth contest Ottawa Valley defeated Lakeshore 'A' 4-3 while the sixth game saw Lakeshore 'A' edge Metro East 6-5.

The Haliburton entry trounced the Lakeshore

Selects 9-1 in the seventh game of the contest. Erin Nichols scored five goals to lead the Haliburton attack. Jeff Ingram picked up a pair for Haliburton while single went to Jeff Warburton and Jeff Francis. Assists went to Collin Hunter, Drew Mitchell and Mike Rupnow. Nicholls was awarded the MVP of the game.

In the ninth game of the tournament the Northern Selects defeated the Lakeshore Selects by an 11-2 margin. Scott Russell led the scoring with four goals and an assist. Scott McQuade notched a pair as did Mike Lennox. Single went to David Sharp. Steven Lucas and Lenny Greer. David Tracey assisted on three goals. Russell was named the MVP of the game.

Ottawa defeated the Northern Selects in the tenth game. The final score was 13-5. Lenny Greer scored two goals while Mike Lennox, Scott McQuade and Dean Seabrook each picked up singles. Assists went to Todd Taylor, Ron Loucks and Scott Reynolds.

Stanhope fire chief appointed

Stanhope Township council has appointed a new chief for its fire department. Bob Nangle, the former deputy fire chief has been elevated to the post of chief. He fills a vacancy which resulted from the death of former chief George Wilson. He died suddenly in early June.

Member of the fire department, Don Barker, will serve as the deputy chief of the brigade.

Request made
The Stanhope Township council has requested the

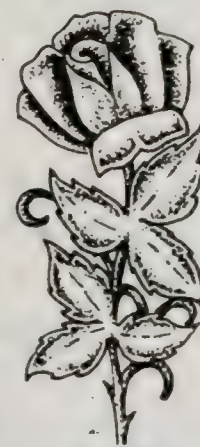

Greer was named the MVP. Lakeshore Selects defeated Metro East 11-9 in the ninth game.

In the consolation final it was the Upper Canada Beavers 7, Haliburton three. Scoring for Haliburton were Erin Nichols, Jeff Ingram and Mike Rupnow. Drew Mitchell was selected as the most valuable player.

In the championship game Ottawa Valley downed the Northern Selects 5-2. Mike Lennox and Scott Reynold shared the scoring with Derek Julian and Lenny Greer picking up assists. Ron Loucks received the MVP award for the Selects.

Ministry of Environment carry out tests on all lakeshore sewage systems in the municipality. The request was made at the July 13 meeting.

Last summer, the MOE survey of cottage areas included Boshkung Lake in Stanhope Township. It identified a number of deficiencies in area systems resulting in improvements being made. The council, in requesting the township-wide survey, indicated that the studies would help maintain the high quality of water in lakes and rivers within the municipality.

Sunny R

Sir Sam would be pleased.

We're referring to Sir Sam Hughes, M.P. for Victoria-Haliburton, Defense Minister during World War One and outdoors enthusiast. Sir Sam, a native of Lindsay, constructed a summer home on Eagle Lake. Hand hewn logs, stone fireplaces and fieldstone construction made the 21 room European-style hunting lodge an island of elegance in the then wilderness of Ontario.

That casual elegance continues today at **Sir Sam's Inn**, the establishment that has grown up around the summer home of this well-known Canadian. And, while the wilderness may have yielded somewhat, the Inn still finds itself in a superb setting. Overlooking Eagle Lake, just east of the community of the same name, the Inn commands an excellent view of the sparkling water and verdant hills beyond.

The Setting

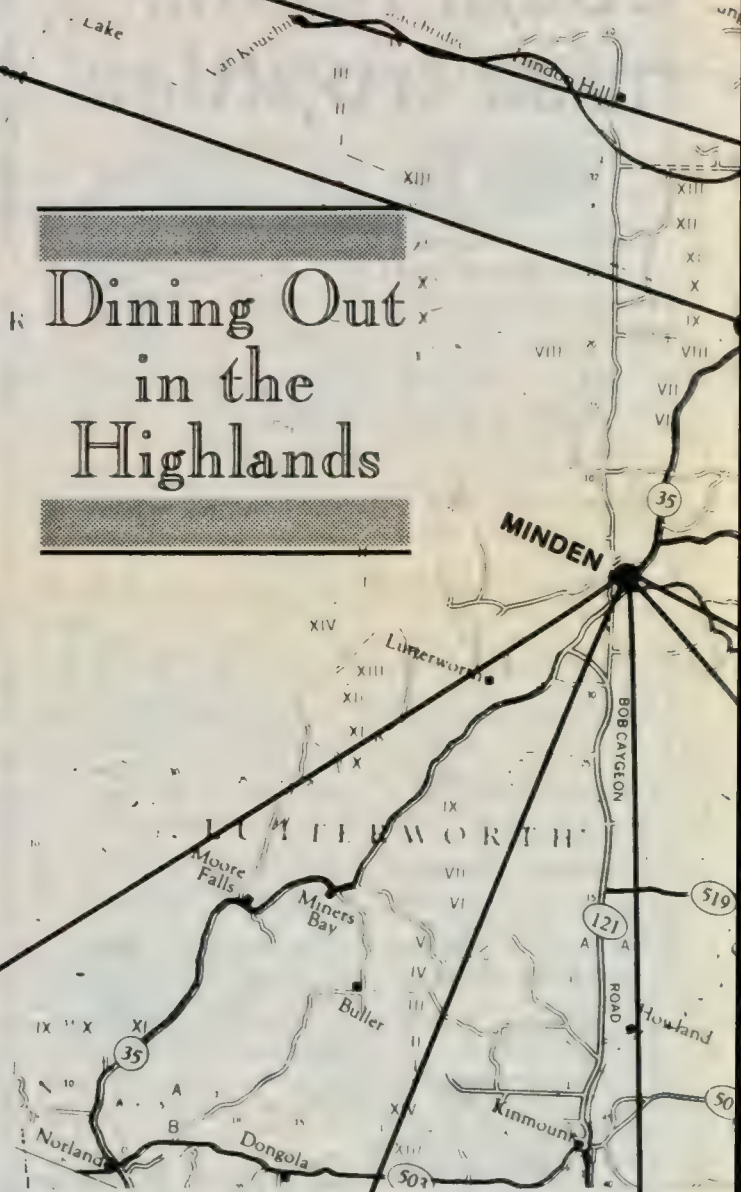

The classic charm of the early construction is maintained inside as well. A large fieldstone fireplace dominates the lounge, where visitors can relax in comfort. The dining room overlooks the lake. A cozy bar offers a restful change of pace before or after the meal.

Sir Sam's Inn welcomes visitors to its dining room each day. You don't have to be a guest to enjoy the superb cuisine. But guests do get to enjoy the many recreational facilities the Inn has to offer, including water skiing, wind surfing, the pool, whirlpool, tennis court, and, in the winter, downhill and cross-country skiing.

Sir Sam would indeed be pleased.

The dining room is open daily from 6 to 8:30 p.m. and is fully licenced. All major credit cards are accepted. Reservations are a must, call 754-2188.

NOTES

1. The 1982 Financial Report consolidates the operations, assets and liabilities of the Township and its local Library Board.

2. The above data have been extracted from the audited 1982 Financial Report of the Township and its local board as described in Note 1. Copies of the 1982 Financial Report are available at the Township Offices to any resident who wishes to review or analyze the financial operations of the Township in greater detail.

SPOT THE SHOT

Contest number 2, we thought, would be a little more difficult because of the fact that the bridge shown is not in use for vehicular traffic. We were wrong. 17 of the 21 entries received, correctly identified the scene as being that of Scott's Dam. The lake above the dam, which was partially hidden by the bridge, is Canning Lake. The water is flowing into the Drag River. Congratulations to this week's winner, Dave Farrell of Minden whose entry was chosen by lot from all the correct ones received. He wins a \$25 shopping certificate redeemable at the Minden or Haliburton Red and White stores. Our congratulations to him and to the other entrants who correctly identified the spot. They include: Miss Diane Cowen; Dwain Wruth; Mrs. P. Conquergood; Miss L. Jean Jennings; Mrs. Alvin Cowen; Violetta Martin; Sheldon Perry; Phil Graham; Mr. Alvin Cowen; Paul Dawson; Lorna Hicks; Fred Stank; Peter Robinson; Graham Robinson; Mr. and Mrs. M.A. Winterflood; and Dean Solway. Good luck next time!

This week's mystery shot once again features a dam which separates two lakes. Can you identify the lake above and below the dam shown in this photo? If you think you know the answer send it to: The Times, Box 97, Minden, Ontario, K0M 2K0. Please mark Contest No. 4 on your entry and don't forget your own name and address. The winner will be chosen by lot from all the correct entries received. The prize is a \$25 shopping certificate redeemable at Minden or Haliburton Red and White. Contest No. 4 deadline is August 1. The winner will be announced in the August 3 edition of The Times.

Bees steal from feeders residents raise objections

Complaints about a heavy concentration of bees in one part of Minden Village has resulted in the owner of a number of hives being asked to remove the structures.

Municipal by-law enforcement officer Dick

Schell reported to the council Thursday that a number of complaints had been received from residents in the North Water Street area about the number of bees. While some residents reported being stung, others

complained that the sugar water they had set out for humming birds was being consumed by the bees.

Schell found that David Phillips, a resident of the area, had a number of hives on his property.

The by-law enforcement officer noted that regulations require that all hives be a least 100 feet back from any lot line. The owner of the hives would therefore be asked to remove them. Phillips has requested that the hives be allowed to stay

where they were until September before being removed. Schell told the council he would check with the individuals who had

complained to determine if this would be acceptable.

Schell also noted that a specialist in bees from the University of Guelph had suggested that property owners with special sugar water feeders for humming birds place some vegetable oil on the feeders to keep the bees at bay.

Ambulance hall tender let

A contract to construct the new ambulance hall in Minden has been awarded to James Howe Construction. The details of the tenders were released at the July 14 meeting of Anson, Hindon and Minden council.

Howe was the lowest of five contractors who bid on the job. His price for providing labour for the construction of the building was \$16,925. Included in that price is the preparation of the cement pad on which the structure will sit. All other materials are to be supplied by the municipality.

Other bids received for the work included: Beachli Construction — \$19,044;

Mountain Construction—\$21,703; D.A.C. Construction—\$22,900; and Doug Wahl Construction \$34,370. Separate bids were requested for the closing in of the present ambulance garage doors. When the ambulance service is moved to its new location beside the firehall, it is intended that the old ambulance quarters will be converted into municipal office space.

According to the

ambulance supervisor, Robbie Luke, material costs for the new building have been estimated at \$10,300.

The council has set \$24,000 aside for the new garage in this year's budget. While the total cost of building the new structure is greater than that amount, Deputy Reeve Ed Pergolas said the township will be able to borrow the difference, \$6,000 from the surplus in the municipality's water account.

Reeve Lyle McKnight said that it probably wouldn't be any less expensive to build a new hall next year. The reeve also suggested that the present entrance to the ambulance area could be made the main entrance to the municipal offices as it would be easy to change that area to provide access for handicapped individuals.

Work is expected to start shortly on the new building.

Police probe 3 mishaps

In the early hours of Wednesday morning, a car driven by Paul Pullman, 32 of Downsview left county road eight near Dorset. The driver had failed to negotiate a curve in the road and his vehicle struck a rock cut on the west side of the road before bouncing back into the southbound lane.

Pullman and three passengers in the car were taken to Huntsville Hospital suffering from major injuries. The 1976 Plymouth in which they were riding sustained \$4,000 damage.

Constable Wim Magee was the investigating officer.

Charges laid

A charge of careless driving has been laid against a Haliburton area man following a single car accident in the early hours of Saturday morning. Deane Barry, 24, was charged following the incident on Highway 35 north of Miners Bay.

According to the police the driver failed to negotiate a curve and the vehicle slammed into guard rails on the east side of the road before entering the east ditch and finally rolling over. The driver was not seriously injured in the mishap.

Constable Wim Magee was the investigating officer.

Collision

A two car collision Saturday afternoon has resulted in a charge of careless driving being laid against an Eagle Lake resident.

Police report that vehicles driven by 47 year old Myrna Horsley of Nobleton and 77 year old Lorne Fry of Eagle Lake collided on county road six Guilford Township. The crash caused a total of \$6,000 damage.

The accident was investigated by Constable Ken Wesley.

Eradicating the itch

Got the itch?

If you live in the Horseshoe Lake area, that itch could mean you've been in contact with poison ivy.

Apparently there are several areas of heavy growth of the weed near the lake and the property owners would like the municipality to do something about it.

By-law enforcement officer Dick Schell reported to the council of Anson, Hindon and Minden Thursday that a patch of poison ivy, approximately half an acre is on municipal road allowance while the remainder is on private land.

Schell said he had contacted the Ministry of Agriculture and officials there suggested the patch could be sprayed to kill it, but the spraying would have to be done in June to be effective. Ontario Hydro has offered to assist.

The property owners in the area have objected to Schell regarding the chemicals used in the Hydro spraying operation although Deputy Reeve Ed Pergolas said he had not heard any objections when he suggested the idea several weeks ago at a property owner's meeting.

Several other sprays were suggested for use, but it was pointed out that whatever chemical is used, it would have to wait until next year is the control measure is to be effective. Schell also noted that property owners with poison ivy growing on their land adjacent to the municipal road allowance would have to treat their land at the same time if the eradication is to be effective.

It was also suggested that the existing patch of poison ivy be posted so those unfamiliar with the three leaf design would be aware of its presence in the area.

DR. PAUL DOWDALL OPTOMETRIST

HALIBURTON, THURSDAYS 457-1611

APPOINTMENTS CALL MARION BARRY
457-1444

AN INVITATION

TO ALL YOUNG LADIES OF
HALIBURTON COUNTY

to enter and compete in the 1983 Haliburton County Fair Queen competition. Rules and regulations outlined below along with entry form. FUN FUN FUN - for everyone. Competition to be held the Friday evening of the weekend of the fair, August 19th. Dance to follow, downstairs in the Community Centre after crowning of the Queen and Princesses.

The Haliburton County Fair Queen will go on to compete in the "Miss C.N.E. - Queen of the Fairs" competition in 1984. In the event that our Queen cannot complete her reign and participate in the C.N.E. pageant, the First Princess will take over her duties.

Sponsorship WILL be provided by the Minden Agricultural Society - sponsor information has been sent out. Cash and other prizes being donated by merchants county-wide will be allotted according to availability.

Please submit entry forms by July 25th and no later than August 2nd. Sponsorship will be on a 'first-come, first-serve' basis and information concerning this will be sent to you on August 1st.

Mail entry forms to:
Mary Lou Johnson
Chairman - Fair Queen Committee
R.R. 1, Minden, Ont. K0M 2K0

If you need other information, please call 286-1573, daytime only. Thank you!

HALIBURTON COUNTY FAIR QUEEN COMPETITION RULES & REGULATIONS

1. Contestant must be single and between the age of 17 and 22, at the fair. (Must be 18 and not over 23 by August 1st of the following year).
2. She must be a bona fide permanent or seasonal resident of Haliburton County.
3. Contestants will be judged on the basis of poise, personality, speech and lady-like appearance. (Dresses must be worn during the competition.)
4. Contestants will be required to speak upon any particular agricultural aspect she is most familiar with, as part of the competition.
5. The 1983 - 84 Queen and Princesses should be available for the remainder of the Fair weekend and be willing to participate in duties such as assisting judges, handing out ribbons etc.
6. Sponsors will be provided by the Minden Agricultural Society.
7. During the remainder of 1983 and the new year of 1984, the Queen will be requested to attend various county-wide functions as our representative of the Minden Agricultural Society - Haliburton County Fair.
8. The reigning Queen as a last honoured request will return to the next Haliburton County Fair to crown her successor as Queen of the Haliburton County Fair.

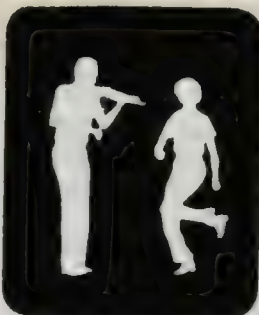

PRIZES

Queen: \$100 1st Princess: \$75 2nd Princess: \$50
Other prizes will be allocated according to availability.

SPECIAL OCCASION PERMIT

Rails' End Gallery president Carole Finn describes one of the many pieces of art on the auction block Saturday evening in Haliburton. The auction, conducted by Bill Rusland, right, was held to raise money for the gallery. While some of the pieces were purchased, many of the higher priced items could not find a buyer.

Summer theatre returns

Summer theatre returned to Haliburton County Thursday evening with a delightful farce, *Pools Paradise*. The play was produced by the Muskoka Festival Touring Company and presented by the Haliburton Festival Touring Company and presented by the Haliburton Guild of Fine Arts as a fund raising venture.

Summer theatre has been a long tradition in the communities surrounding the Highlands. Lindsay has one of the largest running theatres in the province while Muskoka and Bancroft also offer summer presentations. We understand that this area once had its own company and it is unfortunate that we must now rely on outside productions.

Summer theatre is a pleasant tradition that can certainly enhance the attractiveness of an area for tourism. In particular, the

casual atmosphere which surrounds the theatre, including, in this case a licenced bar serving your favourite chilled beverage during intermissions, make for an enjoyable evening out. Perhaps it is time an effort is made to get a production going again.

Pools Paradise is a light-hearted farce which unfolds in the vicarage of Mertoncum-Middlewick. The vicar's wife, nutty housekeeper and her boyfriend luck into a big win in the British soccer pool. Naturally the vicar is dead set against any sort of gambling. The author, Phillip King, has penned a fast-paced comedy and the cast of seven do the author justice.

The play is one of two to be presented in Haliburton this summer. The second, from the same company, premiering tomorrow night, (Thursday) is *The Fantasticks*, a musical comedy.

The one fly in the ointment is the ticket price of \$10. The plays are being presented as a fund raising venture, but the tariff, to us, is a big steep, especially when the brochure indicates the same plays are appearing in Huntsville at half the price.

The *Fantasticks* will be featured tomorrow night and August 4. There will be one more presentation of *Pools Paradise*, July 28. The plays are presented at the Legion Hall in Haliburton.

jb

Council briefs

Items from the July 14 meeting of Anson, Hindon and Minden Township Council.

Assistant hired

Council approved the hiring of Tim Pritchard as a trainee and assistant to municipal by-law enforcement officer Dick Shell. The new employee, is hired under a special program through which he will obtain practical experiences during the summer months and attend a related course of study during the rest of the year.

Congratulations

Council sent out several letters of congratulations Thursday. One went to the Minden BIA for the street furniture which has now been placed around the community. A letter of appreciation also went out to Pat Balcombe and Robin Bailey for their efforts in organizing the Canada Day celebrations in Minden. It was suggested these individuals might be willing to serve on a committee to help organize activities for the municipality's 125th anniversary next year.

Meeting changed

The date of the next meeting of Anson, Hindon and Minden Township council has been changed to Tuesday, July 26 at 7:30 p.m. The council usually meets the second and fourth Thursday of each month during the day.

The Haliburton County Board of Education invites interested parties with experience in food preparation to send a proposal on the provision of food service for the Haliburton Highlands Secondary School commencing on September 6, 1983.

Details of specifications may be picked up at the Board office, Haliburton. Potential clientel - up to 600 students plus teaching staff. Proposals will be accepted up to and including August 10, 1983.

ONTARIO GOVERNMENT TENDER NOTICE TO EQUIPMENT OWNERS

The following equipment is required for winter maintenance during the 1983 - 84 and 1984-85 winter seasons.

Single Axle Trucks with Operator

Trucks with a minimum G.V.W. of 13,600 kg, single axle, suitable for mounting 5 cubic yard (4.2 cubic meter) power sander, are required at the following locations:

Tender No. 11-83-38 - 1983-84 Winter Season Only
One truck required at each of the following locations: Parry Sound, Glen Orchard and Dunchurch. Two trucks required at Patterson's Corners.

Tender No. 11-83-39 - 1983-84 and 1984-85 Winter Seasons

One truck required at each of the following locations: Huntsville, Emsdale, Dwight and Dorset.

Tandem Axle Trucks with Operator

Trucks with a minimum G.V.W. of 20,400 kg, tandem axle, suitable for mounting 8 cubic yard (6.13 cubic meter) power sander, are required at the following locations:

Tender No. 11-83-40 - 1983-84 Winter Season Only
One truck required at each of the following locations: Dwight, Dorset and Minden. Two trucks required at each of the following locations: Huntsville, Emsdale and Haliburton.

Tender No. 11-83-41 - 1983-84 and 1984-85 Winter Seasons

One truck required at each of the following locations: Glen Orchard and Dunchurch. Two trucks required at each of the following locations: Mactier, Parry Sound and Gravenhurst.

Loaders without Operators

Tender No. 11-83-42 - 1983-84 Winter Season Only
Front-end loaders with suitable cab, on rubber tires, having a standard size bucket of at least 5/8 cu. yds. (SAE rated). The bucket width must be wider than the front wheels, but not to exceed 86 inches, and a minimum operating weight of 10,000 lbs. The cutting edge clearance when the bucket is dumped at 45 degrees will be 9 feet minimum. The reach when the bucket is dumped with a 9 foot cutting edge clearance will be 2 feet, 4 inches, ahead of the machine.

One loader will be required at Patterson's Corners.

Tender No. 11-83-43 - 1983-84 Winter Season Only
Front-end loaders, with suitable cab, on rubber tires, having a standard size bucket of at least 7/8 cu. yds. (SAE rated), and a minimum operating weight of 13,000 lbs. The bucket width must be wider than the front wheels, but not to exceed 120 inches. The cutting edge clearance when the bucket is dumped at 45 degrees will be 9 feet, 10 inches minimum. (Extension arms added to loaders will not be accepted). The reach when the bucket is dumped with a 9 foot, 10 inch cutting edge clearance will be 2 feet, 4 inches ahead of the machine.

One loader will be required at Mactier, Parry Sound, Gravenhurst, Glen Orchard, Huntsville, Emsdale, Dwight, Dorset, Minden, Haliburton and Dunchurch.

Sealed Rental Offers on forms supplied by the Ministry will be received by the District Engineer, Mr. D.A.O. White, until 1:30 p.m. on

WEDNESDAY, AUGUST 24, 1983

Specifications, Rental Offer forms and envelopes may be obtained in person or by mail from the District Office, 207 Main St. West, HUNTSVILLE, Ontario, P0A 1K0. Telephone: 705-789-2391.

The lowest or any tender not necessarily accepted.

senior league

by Bert Harrison

Sunday, Doris took a busload to Stanhope Fly-in. We didn't go many times have been. They said there were many planes. It was a perfect day. We had a lot of company while the others were away. It was so nice to have Mr. and Mrs. Brubacher back with us again. Hadn't seen them since I don't remember when. He took part in the service Sunday night and was our special guest while Rev. Burgess and family are on holidays, having a much needed rest.

Linda showed us two interesting movies Monday night, "Planet Earth" and "Point Pelee"-what a wonderful sight. Gordon Sharpless of Minden Gospel Church conducted a real nice service in the chapel this twelfth of July day, for Rev.

Wicks, who was called away. Mrs. Ruth Thompson came to sing and play. Tuesday noon, Doris said, "Wouldn't it be great to climb into the Hyland bus to help celebrate?" To this we agreed and did do and all we had for music was a gazoo. The girls could surely play this and all kept tune with song. We were really enjoying the trip while the bus just rolled along. We went to VanKoughnet and viewed their ancient church, built about 1834. Then climbed back in the bus and whooped her up some more. We all enjoyed the trip all the way through. All we really lacked was some good old mountain dew.

I try to do my best to tell you the happenings here at Hyland Crest. Angus Coulter has his workbench

set up-it sure is quite a sight. He refinished furniture and does the job just right. Ted Carr, too, has been busy making model trains, rocking chairs, flower carts and such. This is something appreciated very much.

Joan Kernohan's birthday is on July thirteenth day, she says she has to work or she won't get any pay.

Helen Brown has not been well, but as I write this letter, she says the last few days she has been feeling better.

Thursday afternoon the Gelert Gals came over with a nice lunch they had made, although the thermometer registered 90 in the shade. Instead of serving tea they served lemonade. The heat to some of them didn't mean a thing, they got up and danced to the tune of Darling Nellie Gray and Red Wing. Then Doris played for a grand old Sing Song. We thank you girls for coming, so glad you came along.

It has been so hot, we didn't have music night,

although some was booked. The hens are laying eggs, they say, already cooked. Friday afternoon, despite the heat, Fred Ballard came in smiling, and Mrs. Coburn, cool and neat, in voice was most beguiling. Grace read a poem about the apple tree, also what do you suppose? one about the first lady to powder her nose.

Our sympathy from all the residents here goes out today to the family and friends of Mary Langdon, who recently passed away.

The Happiest Man

Happy is he, who by love's sweet song is cheered today as he goes along. Happy is he, who believes that tomorrow will ease all pain and take away sorrow.

Happy is he, who on earthy sod has faith in himself, his friends and God.

I close this letter with an amen. The weather's so hot, believe it or not, it's melting the ink in my pen.

Bert Harrison

DON'T BE CARELESS!it can cause fires

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF ANSON, HINDON AND MINDEN, IN THE COUNTY OF HALIBURTON:

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298 of the Municipal Act, that the Township Council of the Municipality of Anson, Hindon and Minden proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Minden, Ontario on Thursday, the 25th day of August, 1983, a by-law for establishing and laying-out of a public highway on the following lands in order to serve as an additional entrance from Anson Street to the Bobcaygeon Road.

FIRSTLY: ALL AND SINGULAR that certain parcel or track of land and premises, situate, lying and being in the Township of Anson, in the County of Haliburton and being composed of Part of Lot 1, Registered Plan of Subdivision 594, in the said Township, more particularly designated as Part 2 on a Plan of Survey received and deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-2833, and which Plan of Survey was made by Robert Woodcock, O.L.S., dated April 7th, 1983 and available for inspection at the Townships of Anson, Hindon and Minden offices, Minden, Ontario.

SECONDLY: ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Anson, in the County of Haliburton and being composed of Part of Lot 2, Concession "A", in the said township, more particularly designated as Part 1 on a Plan of Survey received and deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-2833, and which Plan of Survey was made by Robert Woodcock, O.L.S., dated April 7th, 1983 and available for inspection at the Township of Anson, Hindon and Minden offices, Minden, Ontario.

THIRDLY: ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Anson, in the County of Haliburton and being composed of all that Part of Lot 2, Concession "A", in the said Township, more particularly shown outlined in yellow on a Plan of Survey made by Robert Woodcock, O.L.S., dated April 7th, 1983 and available for inspection at the Townships of Anson, Hindon and Minden offices, Minden, Ontario.

AND TAKE FURTHER NOTICE that before passing the said by-law at the meeting to be held at the time and place above mentioned, the Township Council of the Municipality of Anson, Hindon and Minden shall then and there hear in person, or by his counsel, solicitor or agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED at MINDEN, ONTARIO this 15th day of July, 1983.

(Mrs.) Elinor Burke, A.M.C.T.,
Clerk-Treasurer

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a number list this time. Look in the diagram of numbers for those given in the list. Find them by reading up, down, forward backward and diagonally. They are all in a straight line and do not skip numbers. Circle the numbers in the diagram and cross it off in the list.

It's as easy as that. Have fun.

around the county town

by Yvonne Guida

Last Thursday I was pleasantly surprised to receive a lovely note from Mrs. Holliday-Rhodes, mother of the doctor, who lives in England. She receives the Times regularly and reads my column. She complimented me on my poetry which she seems to enjoy very much, and also sent a generous cheque for our Agnes Jamieson Gallery. I was most flattered, but also rather chagrined to think that this lovely lady, who lives so far away, supports our efforts, while local people who can enjoy the fine exhibits we offer first hand, seem loathe to do so. It costs so little and offers so much.

The regular monthly meeting of the Agnes Jamieson Art Committee will be held on Wednesday, July 20th at 7:30 p.m.

My daughter-in-law, Cathy Guida, wife of my son Doug of West Hempstead, Long Island, gave birth to their first child—a daughter weighing 7 lbs., 10 ozs., last Thursday, July 14th. Needless to say we are all thrilled, including her Great Grandfather Walter. Mother, baby and father are all doing well. The baby will be named Kimberly. My love and blessings to you all.

Winifred Bedlington (affectionately known as Freddie to her friends) is spending a pleasant holiday with her daughter and son-in-law Lyndsie and Glynne Lewis at Gull Lake.

I am sorry to report that Don Elliott of Lutterworth Estates, passed away suddenly last Sunday, Mr. Robert Moore of Carnarvon also passed away last week. Our deepest sympathy to their families and friends.

Ron Welch was here from Frankfort, visiting with his mother Mrs. Edith Welch for a few days last week.

I am sorry to say that Mrs. Diane Stevens is presently confined to Minden Red Cross Hospital. Everyone wishes her a speedy recovery.

Last Wednesday, I received a lovely letter from the White House from Anne Higgins, Assistant to President Ronald Reagan, commending me on my poetry. She concluded with the President's best wishes and his gratitude for my expression of friendship. It was quite a thrilling experience for me.

Mrs. Leonard Coats and Mrs. Paul Cockburn of Woodville and Ern and Grace Boicey from Gainbridge visited the Philip Robinsons last week.

Mrs. Schlosser is back home after visiting her son's cottage at Kushog Lake for a week.

St. Paul's Bazaar was a big success last Saturday. The weather was hot but gorgeous and many people turned out to enjoy the delicious luncheon and goodies on hand. The Thrift Shop had a great day, and

incidentally will be open this Friday.

On Friday, July 29 the Deckhand Puppeteers will present a program for children, consisting of Aladdin and Aesop's Fables, in the Common Room of the Minden Cultural Centre beginning at 3 p.m. The performance is free and everyone is welcome. These artists were a big success last year. Also keep in mind the free movies for children which are shown every Friday evening at the Centre, beginning at 7:15. These movies are proving to be a great success.

Mrs. Alfreda Harrison spent a few days in Peterborough last week and attended the celebration of the 50th Wedding Anniversary of her sister and brother-in-law, Mr. and Mrs. Juby. All best wishes to them both.

Next week, Thursday, July 28th I will be appearing on CKCO on the program Tempo. I believe it airs at 10:30 a.m., so if you have a chance to view the show, please do so. I hope it will be an interesting program.

Winners of the afternoon card party last Thursday at the Library Cultural Centre were lone hand Ruby Schmidt and others Irene Houghton and Mary McKelvey all receiving Wintario Tickets. Everyone is welcome so come out Thursday afternoons at 1:30 and support the Museum Fund.

The annual Red Cross Bazaar will be held on Saturday, July 30 beginning

at 10 a.m., in the store beside Cox's Apparel. All hand-crafted items will be on sale.

The Wave

The symphony begins with cataclysmic symbol's frenzied beat against tormented sands. Again the fury-like Beethoven-swells, engulfing all before it—Earth and heaven too, are rent by its tumultuous song. But then, like soft caress of woodwinds, shuddering, sobs and sighs, and murmuring—suddenly is gone!

Yvonne

Inner Thoughts

Thunder and lightning
And rainfall—then stars
A sudden glow in the night
With fierce intensity it grows
A tiger burning bright.
Whirling and swirling
The winter winds blow
Each breath a bitter blast
That chills the heart
And every step
Comes slower than the last.
A pent-up upheaval—then
silence
Until the next violent squall
The world lies awaiting
Its heavy breath bating
What next can ere befall.
To find our way through the
forest
We are blinded now by the
trees
Oh for a glimmer of shining
hope
We might find it then with
ease.
What tragedy for the
blindness
Of those who will not see.
And to those who are deaf
to entreaty
Ah dead I'd rather be.
But enough, let me arise
from my thoughtful bed
And shake the sleep from
my eyes,
Look not again at long dead
dreams

But to bright, awakening
skies.
The dawning of another day
And someday the world's
rebirth.
Surely men of vision and
hopes and dreams
Will not destroy our earth.
Vainglorious greed and
vengeance
May somehow disappear,
And like the sun, the golden
rule

Its message ring loud and
clear,
To love one's neighbour as
oneself
With gentle word and deed
Forgetting the color of his
skin
Religion and race and creed
Obeying the wisdom of
those who can save
Then God will rejoice
indeed.

IN MEMORIAM

Miscio

In loving memory of my dear brother Petrol who passed away July 20, 1979.

Each time I see your picture
You seem to smile and say
Don't cry I'm only sleeping
We'll meet again some day
When we're sad and lonely
And everything goes wrong
We hear you whisper softly
Cheer-up and carry on.
If we could have a wish
tonight
And know it would come
true

We would telephone to
Heaven
And ask to speak to you.
Sadly missed and lovingly remembered Sister Vera.

MISCIO-In loving memory of a dear son, Petrol, who passed-away July 20, 1979. No morning dawns, no night returns.

But that we think of you.
Those left behind are very good,
But none replaces you.
Many a silent tear is shed
When we are all alone;
The one we loved so very much,
The one we call our own.
Lovingly remembered, Mom.

MISCIO-Petrol. In loving memory of a dear brother who passed away July 20, 1979.

July comes with sad regrets
The month, the day I will never forget
You slipped away without a goodbye
Memories of you will never die.
Deeply missed and lovingly remembered, your sister Nell.

Give...

THE HEART FUND

IN MEMORIAM

GARTSHORE-In loving memory of a dear son and brother, Don, who passed away July 20th 1978.

At night the silver stars
shine down
On a grave not far from here
Where sleeps the one we
can't forget
And always loved so dear
As angels keep watch up
there
Please God just let him
know
That we down here do not
forget
We love and miss him so.
Sadly and deeply missed by Mom, Verne and Marlin, Craig and Marg, Gary and Pat.

GARTSHORE-In loving memory of a dear Uncle Don who passed away July 20, 1978.

Our hearts still ache with
sorrow
And silent tears will flow
For what it meant to lose
you Don,
No one will ever know
We think of you in silence
And ever speak your name
But all we have are
memories
And your picture in a frame
Forever loved and sadly
missed by Jason, Chris,
Gary Jr. and Sean.
